

Weekly Camp Sessions

June 5 – July 27

Camps Available for Pre-K - 12th Grade

**Science*

**Technology*

**Math*

**Young Writers*

**Early Childhood*

**Cultural Academy*

Here's a sample of some of the great classes at Kids U this summer!

Junior Mad Scientist:

Ever wanted to be a mad scientist? Find out how science works and why things happen the way they do. Learn how to think like a scientist as you experiment with fun and explosive activities like how to bounce an egg or make a volcano.

Digital Playground:

Imagine creating your own online universe filled with avatars, 3D graphics, animated graphics, online posters and art work mash-ups. You will do this all by creating your own web page showcasing your new creations. No pens and pencils required, the only thing you need to bring is your imagination.

Math Mysteries:

Welcome to the world of mathematics problem solving with more fun than you ever imagined math could be. Come adventure into the exciting twists and turns of logical reasoning and exploration of the world of math!

Registration is coming soon. For session fees or to register, visit: kidsu.uhcl.edu
